</tbody>
</table>

- **Hot Water**: detergent in the washing machine.
- **Cold Water**: no higher than 30°C (85°F) in the washing machine.
- **Warm Water**: no higher than 40°C (105°F).
- **Hot Water**: no higher than 60°C (140°F).
- **Hot Water**: no higher than 70°C (160°F).
- **Hot Water**: should not exceed 95°C or 200°F.
- **Normal Water**: can use machine, on delicate setting. This means lower agitation.
- **Normal Water**: use gentle detergent, DO NOT put in the machine. Wash in the sink and hang to dry.
- **Normal Water**: can use machine, on delicate setting. DO NOT attempt to hand wash or use a washing machine.
- **Normal Water**: dry clean only. DO NOT attempt to hand wash or use a washing machine.
- **Normal Water**: DO NOT wring or you will damage the fabric and the item’s shape.

- **Commercial Bleach Can Be Used**: use chlorine.
- **Non-Chlorine, Color-Safe Bleach**: DO NOT use chlorine.
- **Do Not Bleach**: DO NOT even think about bleaching.
- **Tumble Dry, Normal**: can dry on hottest setting.
- **Tumble Dry, Low Heat**: can dry on low heat setting.
- **Tumble Dry, Medium Heat**: can dry on medium heat setting.
- **Tumble Dry, High Heat**: can dry on high heat.
- **Normal, High Heat**: can dry on medium heat setting.
- **Tumble Dry, No Heat**: can dry on high heat.

- **Ironing**: iron at any temperature and you can use steam.
- **Iron, Low**: iron using steam or dry. Temperature should not exceed 110°C (230°F).
- **Iron, Medium**: iron using steam or dry. Temperature should not exceed 150°C (300°F).
- **Iron, High**: iron using steam or dry. Temperature should reach 200°C (290°F).
- **Do Not Iron**: DO NOT use steam. Dry ironing is fine.
- **Do Not Steam**: DO NOT iron.

- **Dryclean Only**: dryclean only.
- **Dryclean, Any Solvent**: dryclean only.
- **Dryclean, Petroleum Solvent Only**: dryclean with petroleum solvent. Other restrictions may be included.
- **Dryclean, Short Cycle, Petroleum or Trichloroethylene**: dryclean only, but do not use trichloroethylene.
- **Dryclean, Short Cycle, Petroleum or Trichloroethylene**: dryclean only, but do not use petroleum or trichloroethylene. Clean on short cycle.
- **Dryclean, Reduced Moisture**: dryclean only, but do not use petroleum or trichloroethylene. Use low heat setting.
- **Dryclean, Do Not Machine Wash, Dry Flat**: dryclean only, but do not use petroleum or trichloroethylene. DO NOT use steam.
- **Do Not Dryclean**: do not dryclean.
